

RoHS Compliance – Complete Listing

As of Wednesday, October 19, 2005 9:49 AM

The compliance date shown indicates the date Belden's internal specifications were changed. Material manufactured prior to the compliance date may still be in stock at Belden facilities and in our Distributor's inventory. Part Numbers identified as "Evaluating" for the compliance indicates that those items are not compliant at this time. They may become compliant in the future and will be noted as such at that time.

Please be advised that **Belden Part Numbers** shown as compliant or pending compliance do not contain any of the following restricted substances, as an intentional additive, and are therefore compliant with European Directive 2002/95/EC (RoHS), European Directive 2000/53/EC (ELV), European Directive 2003/11/EC (BFR), European Directive 2002/96/EC (WEEE), and California Proposition 65 Consent Judgment for Wire & Cable Manufactures [San Francisco Superior Court Nos. 312962 and 320342] (Prop 65). **This is true for all product manufactured after the listed date.**

<u>Substance</u>	<u>Maximum Concentration(1)</u>
Lead	0.03%
Mercury	0.1%
Hexavalent Chromium	0.1%
PBB, PBDE	0.1%

RoHS Compliance – Complete Listing

As of Wednesday, October 19, 2005 9:49 AM

The compliance date shown indicates the date Belden's internal specifications were changed. Material manufactured prior to the compliance date may still be in stock at Belden facilities and in our Distributor's inventory. Part Numbers identified as "Evaluating" for the compliance indicates that those items are not compliant at this time. They may become compliant in the future and will be noted as such at that time.

Cadmium	0.01%
---------	-------

(1) Per homogeneous material, as trace or contaminate amount.

In addition, Belden products do not contain Asbestos and its compounds or Di-(2-ethylhexyl)phthalate (DEHP).

Please be advised that **Belden Part Numbers that are non-compliant** may contain lead (Pb), cadmium (Cd), or PBDE (1) restricted substances, as an intentional additive, and are therefore not compliant with European Directive 2002/95/EC (RoHS), European Directive 2000/53/EC (ELV), European Directive 2002/96/EC (WEEE), and California Proposition 65 Consent Judgment for Wire & Cable Manufactures (2) [San Francisco Superior Court Nos. 312962 and 320342] (Prop 65).

(1) Some Belden products may contain Decabromodiphenyl Oxide/Ether as a flame retardant. This PDBE substance is currently under consideration for exclusion from RoHS. If excluded, this product will be compliant with the directive at that time

- This Belden product contains Decabromodiphenyl Oxide/Ether as a flame retardant.

(2) Some Belden products may be "Exempt" per the consent judgment based upon size and/or application.

This determination is based upon information obtained from sources which Belden CDT Electronics Division believes are reliable, and from random sample testing at the Belden Engineering Center; however, the information is provided without any representation of warranty, expressed or implied, regarding accuracy or correctness. Belden CDT does not specifically run any analysis on our raw materials or end product to measure for these substances.

The information provided in this Product Disclosure, and the identification of materials listed as reportable or restricted within the Product Disclosure, is correct to the best of Belden's knowledge, information and belief at the date of its publication. The information provided in the Product Disclosure is designed only as a general guide for the safe handling, storage, and any other operation of the product itself or the one that it becomes a part of. This Product Disclosure is not to be considered a warranty or quality specification. Regulatory information is for guidance purposes only. Product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product.
