

25 October 2017

Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing the **Hirschmann BAT-C Wireless LAN Client, effective 31 December 2017.**

The **BAT-C Wireless LAN Client** contains components which have become obsolete. Belden has a limited stock of these devices that will last until final delivery date (30 June 2018).

The already available configurable BAT867-R Wireless Access Point is the recommended replacement part for the BAT-C, as it exceeds the functions and solutions you gained from the BAT-C being discontinued.

**Discontinued Product**

Discontinued Product	Description	Suggested Alternative	Description
BAT-C	IP67 WLAN Client	BAT867-R	Configurable Wireless Access Point

The standard warranty terms will be honored for all units shipped to date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit [www.belden.com/ltps](http://www.belden.com/ltps). Special contracts in place and active prior to the announcement date will be honored according to the terms of that contract, with regard to product availability, warranty, or support terms.

**Discontinuation Milestones – BAT-C Wireless LAN Client**

Milestone	Date
Discontinuation Announcement Date	25 October 2017
Last Order Date	31 December 2017
Last Shipment Date	30 June 2018

A detailed list of all discontinued part numbers can be found at the end of this letter.

If you have any questions or for assistance selecting alternative products, please contact your local Belden sales representative ([North America contact information](#) and [International contact information](#)).

Sincerely,  
Hirschmann Automation and Control GmbH

i.A. Vinod Rana  
Product Manager

i.V. Thomas Niessen  
Director Product Management
