October 4, 2017

Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing **specific modules inside the Lumberg Automation LioN-Link product line, effective immediately.**

The specific modules contain components which have become obsolete. Belden has a limited stock of these devices that will last until final delivery date (March 30, 2018).

For each discontinued product an alternative replacement product is available, please refer to the list below.
