

BELDEN

Increasingly, manufacturing productivity is dependent upon seamless data communication and automation systems. In order to support the proliferation of mission-critical signal transmissions, Belden offers the industrial market the broadest selection of cable and connectivity solutions for complete system optimization and improved signal transmission performance.

- Ethernet Cable
- Industrial Data Cable
- VFD Cable
- Flexible Automation Cables
- Instrumentation
- Control
- Multi-Conductor Cables
- Fiber Optic Cables
- Marine Certified Cables (MarineTuff™)

Product Warranty Information

All Belden-branded products (not including other Belden family brands) are warranted for a period of 10 years from the date of shipment to the buyer (with exceptions in select circumstances to the 10 year warranty).

Fiber optic cables are warranted for a period of one year, and IBM cables are warranted for a period of 15 years.

Additionally, Belden MediaTwist® UTP cables deliver stable performance to 350 MHz with electrical characteristics exceeding TIA/EIA Category 6 standards. Belden backs MediaTwist cables with a limited lifetime warranty to the original end user. Contact Customer Service as indicated below for details.

For a full description of the terms, conditions and limitations of our U.S. or Canadian warranties, [click here](#) - or if you have any questions, please contact our Customer Service Department by clicking here or call our Customer Service Department at **1-800-BELDEN-1**.

**Be certain.
